WHAT MAKES MCN DISTINCTIVE

Our singular focus is on proclaiming the Gospel by fostering relationships.

MCN is lay-focused and led. We have the flexibility and responsiveness to serve wherever God is calling with our own partnerships and resources.

We provide only best practice training and support. Our leadership and staff have extensive first-hand experience in global mission work. This experience informs how we train, educate and support mission partners so they can thrive in their overseas ministries.

MCN is operated by a lay Board of Directors, all of which are members of the Lutheran Church-Missouri Synod (LCMS). We are rooted in the confessional beliefs and faith of the LCMS and have three Pastoral Advisors.
