

## Prayer Resources

1. Reference the **weekly prayer list** for various mission partners on MCN's website (<https://missionofchrist.org/prayer-opportunities>).
2. Pray for specific prayer requests from any Mission Partners that your church personally partners with. Reference their most **recent newsletters** or contact the Mission Partner directly to ask how to pray.
3. View, download, and share **prayer cards** for specific Mission Partners found on their individual pages of the MCN website. (<https://missionofchrist.org/mission-partners/>)

Praying specifically for these needs in God's Mission is a wonderful way to partner in the work God is doing around the world and help your congregation be more aware of specific ways God is at work around the world.
